Subject: Staff Visit to Lake Ontario Ordnance Works Asbestos
Abatement

Ms. Linda Shaw
Knauf, Koegel & Shaw LLP
183 East Main Street, Suite 1250
Rochester, New York 14604

Dear Ms. Shaw:

At the last Lake Ontario Ordnance Works Restoration Advisory Board meeting, you asked for information regarding a visit made by staff from the United States Army Engineer District, Baltimore to Mr. Syms' property during the execution of the asbestos abatement work. I am enclosing copies of several documents that respond to your inquiries and explain the position of the United States Army Engineer District, Buffalo regarding the matter.

If you have any questions, please feel free to give me a call at (716) 879-4183 or contact me by e-mail at:
michelle.f.barczak@usace.army.mil.

Sincerely,

SIGNED
